I certify that I have this day completed the Enumeration of the district assigned me, and that the returns have been carefully and truthfully made in accordance with laws and my oath of office.

Sam A Smith
Enumerator.

Dated June 30th 1880.

By an oversight I put the number of families visited in this census wrong and it was not noticed until near the close of my census; in rectifying which it seemed impolitic to undertake to rectify the mistake by erasures, as it requires changes in the numbers from the first mistake which occurred in the close of the enumeration. I therefore changed the numbers in the columns prepared for the use of residents visited, and will have that the use of families and use of residents visited, almost identical. Sam A Smith
